01 / WELCOME PACKET

Good things start with a clear hello.

A warm welcome to your next content chapter.

01 **Your studio**

[Your studio name and contact]

02 **What we are making**

[Agreed channels, content deliverables and reporting period]

03 **How we will work together**

[Where feedback happens, who approves and the agreed review window]

04 **What we need to begin**

[Brand materials, usable assets, confirmed offer and access arrangements]

MAKE THIS YOURS

For [client name] / Prepared by [your name]

02 / CLIENT BRIEF

Tell us what makes you, you.

A few thoughtful answers make the creative work more focused.

01 **The offer and audience**

[What do you sell, and who is the priority audience?]

02 **The goal**

[What should this content help people understand or do?]

03 **The voice and facts**

[Approved examples, confirmed claims and words to avoid]

04 **The final yes**

[Named approver, timezone, review dates and asset permissions]

MAKE THIS YOURS

Confirm the completed brief with the client before drafting.

03 / STRATEGY SNAPSHOT

A little direction. A stronger story.

One page to keep the content pointed at a useful goal.

01 **Our focus**

[Audience, business goal and reporting period]

02 **Our three content roles**

[Explain: a helpful answer / Show: a real process / Invite: one next step]

03 **What success will look like**

[Available measure, source and realistic interpretation]

04 **What we will test**

[One content question, a comparison and a review date]

MAKE THIS YOURS

Use confirmed facts. Keep assumptions visible.

04 / CONTENT REVIEW

One current version. One lovely yes.

Keep the review specific and the record easy to follow.

01 **The content**

[ID, version, channel, planned date and timezone]

02 **Caption and final asset**

[Exact copy and accessible asset reference]

03 **The review checks**

[Facts checked / Asset rights checked / Links and preview checked]

04 **The decision**

[Approved or Changes requested / Name / Date / Evidence reference]

MAKE THIS YOURS

Approval applies only to this exact version. Request a new decision after edits.

05 / MONTHLY REPORT

Here is what we learned.

Clear figures, honest context and a useful next step.

01 **The context**

[Client, goal, reporting period, platforms and data extraction date]

02 **What happened**

[Published work and comparable measures, with missing data noted]

03 **What it may mean**

[Interpretations separated from facts; avoid unsupported causal claims]

04 **The next good experiment**

[One test, the measure, the date and the client input needed]

MAKE THIS YOURS

Post-level reach is not additive unique audience. Sample numbers must be labelled.

06 / PROJECT HANDOFF

A thoughtful finish. A clear next step.

Leave the work and the client in good hands.

01 **The delivered work**

[Final approved assets, copy, IDs and live links]

02 **Where everything lives**

[Client folder, report, workspace backup and owner]

03 **What remains open**

[Pending decisions, unfinished deliverables and agreed next actions]

04 **The final handover**

[Access changes, retention arrangements and acknowledgement]

MAKE THIS YOURS

Share only the intended client files. Keep private notes and other clients separate.
